Niki Outdoor Wall / Ceiling Light

By Artemide

Description

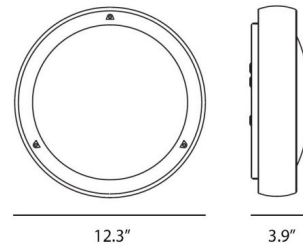

Unleash robust illumination and sophisticated design in your outdoor or indoor spaces with the Niki Outdoor Wall / Ceiling Light. This exceptionally durable fixture features a resilient molded stainless steel frame and a secure polyurethane seal gasket, ensuring longevity and performance in various environments. Available with either a sleek Satin or a polished Aluminum finish, and complemented by a prismatic glass diffuser, the Niki casts a bright, functional light while adding an architectural and contemporary touch. What truly sets this light apart is its IP65 rating, signifying complete protection against dust ingress and resistance to water jets from any direction, making it ideal for even challenging outdoor conditions. Customers frequently highlight its impressive durability and clean, industrial aesthetic, appreciating its ability to withstand the elements without compromising on style. Perfect for exterior facades, pathways, patios, or even high-humidity indoor areas like bathrooms, the Niki Wall/Ceiling Light delivers powerful, reliable, and stylish illumination wherever it's needed.
