Tolomeo Micro LED Clip Spot

By Artemide

Description

The Tolomeo Micro LED Clip Spot delivers precision lighting with iconic flexibility in a compact, versatile design. This ingenious fixture features a sleek polished aluminum diffuser complemented by a robust matte aluminum and steel grip, allowing it to securely attach to various surfaces, offering instant, targeted illumination wherever needed. An integrated LED light source provides efficient and bright illumination, perfect for focused tasks or highlighting specific areas. The head of the spot light is fully adjustable, capable of both tilting and rotating, enabling you to direct light with pinpoint accuracy. A convenient dimmer switch is incorporated directly into the lampholder, providing effortless control over brightness levels to set the perfect ambiance. The Tolomeo Micro LED Clip Spot is an ideal solution for desks, shelves, or anywhere flexible, directed light is desired with signature Tolomeo style.
