Tolomeo Classic LED Wall Spot

By Artemide

Description

The Tolomeo Classic LED Wall Spot by Artemide, an enduring icon of intelligent design by Michele De Lucchi and Giancarlo Piretti, brings focused and adjustable illumination to any wall. This fixture exemplifies the Tolomeo lineage's commitment to flexible functionality and timeless aesthetics, now re-engineered with modern LED efficiency. Its robust structure features a highly polished, die-cast aluminum canopy, providing a sleek and refined attachment point to the wall. The brilliance of this spot lies in its fully adjustable, rotatable, and tiltable diffuser, crafted from natural anodized aluminum. This allows for precise control over the direction and intensity of light, empowering you to highlight architectural features, illuminate artwork, or provide focused task lighting with unparalleled accuracy. The mounting plate thoughtfully conceals all hardware, ensuring a clean installation centered on the canopy, preserving the fixture's elegant lines. The Tolomeo Classic LED Wall Spot is a testament to form meeting exceptional function, offering tailored illumination with iconic style.
