Visual Comfort Modern

DESCRIPTION

Inspired by midcentury modern design, the Bowman Outdoor Wall Sconce shows off a simple tapered silhouette formed by clean lines. Its durable die cast aluminum body houses a powerful, long-lasting LED light source, emitting a bright downlight that illuminates even the darkest of nights. UV stabilized, frosted acrylic lensing diffuses the light to cast an even glow. With its sleek, versatile aesthetic, this light is suitable for both indoor and outdoor applications. Note: 2700K is only available for the Black and Bronze finishes.
