Tam Tam Mini Pendant

By Marset

Description

The Tam Tam Mini Pendant is a new perception in the world of lamps, which extols repetitiveness by focusing on the archetypal lampshade: a number of light sources pointed in different directions, geometrically arranged to invoke a feeling of organized chaos. It consists of a central lacquered aluminum Semi Matte shade with three Semi Matte satellite shades which can be rotated 360 degrees by means of a swivel mechanism. An opalescent, methacrylate bottom diffuser softens the light.

Shown in black central shade / black satellite shades
