## Empatia Wall / Ceiling Light

By Artemide

### Description

The Empatia Wall / Ceiling Light is a stunning luminaire designed to provide beautifully diffused lighting, creating a warm and inviting atmosphere. This versatile fixture can be mounted seamlessly on either the ceiling or the wall, allowing for flexible integration into various interior designs. Its base is crafted from durable painted die-cast aluminum, ensuring stability and a refined finish. The light emanates through a magnificent hand-blown Clear Frosted glass diffuser, available with a pristine White finish. This artisanal glass is central to its design, creating a soft, even glow that minimizes harshness and enhances comfort. Available in three sizes to provide efficient illumination tailored to different needs. With widths ranging from 6.3 to 14.2 inches and heights from 7.5 to 15 inches, this fixture offers adaptable, elegant lighting for living rooms, bedrooms, hallways, or any space seeking a harmonious blend of craftsmanship and diffused light.
