**DESCRIPTION**

The sleek 45 ADJ Outdoor Ground Light provides direct or indirect LED light for illuminating pathways and landscaping, while offering a streamlined contemporary look for the space. Its minimal L-shaped form is made of extruded anticorodal 6010 aluminum alloy with phosphochromed non-corrosive protection. The head can be set during installation to face outward or downward. The reflector is die-cast 46100 aluminum with a vacuum aluminized finish. The diffuser is injection-molded UV-stabilized engineering plastic, available in opal white, or in transparent for applications that require high efficiency. An optional louver and other accessories are sold separately. Includes an integrated driver. This light is available in three heights: 7.8 inches (known as LED 1), 17.3 inches (LED 2), and 39.3 inches (LED 3).

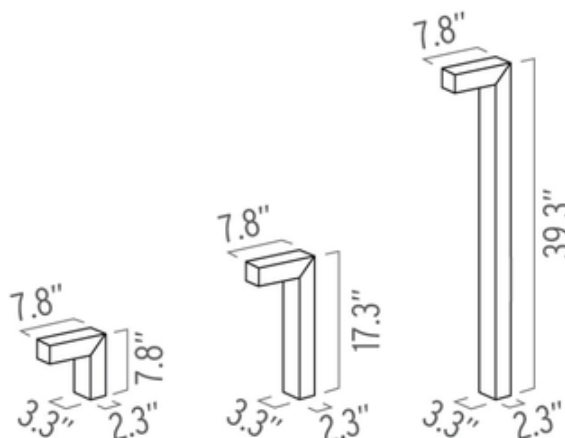

*Shown in: Anodized Aluminum / Opal*
