Robertson Table Lamp

By Arteriors Home

Description

Robertson Table Lamp is destined to be a porcelain classic, or at least everyone's new favorite. Each loop has been sculpted and attached by hand prior to glazing, creating a subtle pattern and dimensionality to what could have been an ordinary column lamp. The design is further enhanced by the Ivory Crackle finish and the tall Ivory drum shade with 3 inch flat-band trim on the bottom only. One 150 watt, 120 volt A19-3 Way type Medium base incandescent bulb is required, but not included. UL listed. 16 inch width x 31.5 inch height.
