

BRAND Generation Lighting

DESCRIPTION

The Ravenwood Manor Chandelier brings an industrial, chic vibe to any interior with a unique, minimalist approach. From the crown of each fixture, linked rods descend to support the clean lines of the open central frame. The overall focal point is series of bare lamps in sleek sockets which are each set-off by the spherical detail of the bobeches to soften the overall rustic design. Available in Stardust with five or nine lights.

SHADE COLOR	N/A
