DESCRIPTION

Genna 3.5 Inch Square Aperture Ceramic Metal Halide Wall Wash Flangeless Trim and Housing is a specification grade recessed fixture which plasters into a drywall ceiling. Trim is made of die-cast aluminum with no-glare aperture and an ultra uniform field of light to top of wall. Mounts at 32 inch center to center and 40 inch from center to wall. Housing is IC and Airtight, suitable for remodel or new construction, and features a removable top for servicing from above. Aluminum plaster plate, primed and mounts flush with ceiling. Self-leveling, telescoping mounting bars extend to allow mounting between studs 16-24 inches, and designed to accommodate ceiling thickness from .50 to 1.25 inch. Includes standard 120 volt non-dimmable electronic ballast. Supplied with 39 watt ES16 bi-pin ceramic metal halide bulb with 24 degree beam spread and frosted prismatic lens to provide smooth beam patterns.

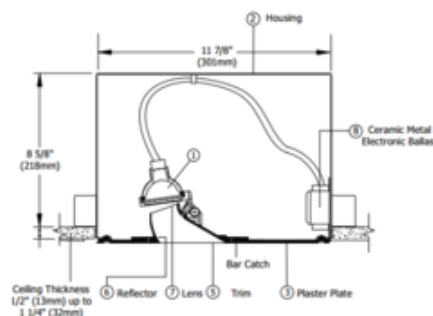

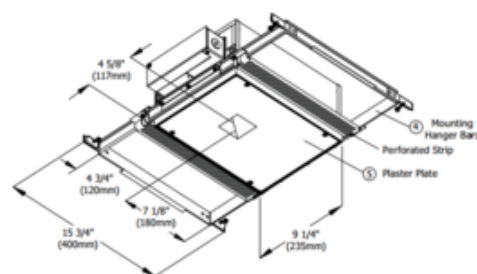

Shown in: Satin Aluminum
