DESCRIPTION

Aurora LED 2 Inch Aperture Square Beveled Trimless Downlight with Housing is a specification grade, recessed, adjustable accent fixture for plaster or drywall construction. Spun aluminum dome features an anodized soft haze finish. Trim finish in White or Satin Aluminum. Hides electrical hardware and tilts for easy access to junction box and transformer. The flush mounted rigid plaster plate, which is finished into the ceiling, maintains a flat finish and secures the removable flush beveled trim. The beveled trim raises the 2 inch aperture above the ceiling plane. Combining the Aurora dome with the tilt gear hidden behind the lamp creates a clean internal look. Flangeless, flush trim installs into the plaster plate with a precision snap-fit. Fixture offers hot aiming with 0 to 42 degree vertical adjustment and 362 degree horizontal rotation without beam clipping. Precision machined gear adjustment is concealed behind the lamp. Features self locking tilt and manual locking horizontal rotation. Includes machined aluminum snoot to control internal light spill. The snoot secures the lamp to the pan tilt mechanism and allows for easy relamping. Housing is made of die formed aluminum and includes one 12 volt 15 watt electronic low voltage transformer for MR16 LEDs. Housing is IC and Air-Tight, suitable for remodel or new construction. Hides electrical hardware and tilts for easy access to junction box and transformer. One 12 volt MR16 LED 7-9 watt bulb, equivalent to a 50 or 65 watt halogen, is required, but sold separately. Only use LED retrofit lamps designed for use in enclosed fixtures. Compatible with most electronic low voltage dimmers. Refer to attached spec for list of compatible LED MR16 bulbs and dimmers. ETL listed. Title 24 compliant when used with Vivid 3 7.5 watt MR16 LED from Soraa, sold separately. Housing: 11.9 inch length x 9.25 inch width x 5.25 inch height. Wet location lens, LWET, is available as an accessory for wet locations, sold separately. Optional Aurora Gear Cover and light control accessories sold separately.

TRIM COLOR	N/A
BODY FINISH	Satin Black
WATTAGE	9W
DIMMER	Low Voltage Electronic
DIMENSIONS	11.9"L x 9.25"W x 5.25"H
BULB NOT INCLUDED	
LAMP	1 x LED/9W/12V LED
