DESCRIPTION

Aurora LED 3.3 Inch Aperture Square Edge Trimless Downlight with Housing is a specification grade, recessed adjustable accent fixture for plaster or drywall construction. Housing is IC and air-tight, suitable for remodel or new construction. Use only LED retrofit bulbs designed for use in enclosed fixtures, compatible bulbs sold separately. Fixture offers hot aiming with a #2 Philips screwdriver with 0 to 45 degree vertical adjustment and 362 degree horizontal rotation without beam clipping. The .04 inch thick die-formed aluminum housing includes a 12 volt, 15 watt electronic low voltage transformer for MR16 LED bulbs. Snoot which secures the bulb to the Pan Tilt Mechanism for easy relamping. Included components: Dome, Housing, Plaster Plate, Transformer, Aurora Gear Cover, Mounting Hardware, Junction Box, Pan Tilt Mechanism, and Snoot. Dimmable with an electronic low voltage dimmer, sold separately. Note: This model is discontinued and limited to quantity on hand.
