## The Monkey Lamp By Seletti

### Description

Seletti's mischievous Monkey Lamp is available in a variety of cheeky poses to liven up any indoor space. Each Monkey is supplied with an E14 base socket and bulb. An E14 to E12 socket adapter is required when replacing the bulb. **Sitting:** This monkey's feet must extend beyond the edge of a surface in order to keep the lamp flat and stable. **Note:** Supplied with a plug and on/off switch on the cord. Per manufacturer, for the Ceiling version only, the plug can be cut off and the fixture hardwired with included canopy.
