

BRAND

Big Ass Fans

DESCRIPTION

The Haiku Low Profile Mount Ceiling Fan was designed with homes and small spaces in mind. Its precision hand balancing and silent operation combine for lasting, perfect performance. New Eco Mode makes Haiku the world's most efficient ceiling fan. Using patent-pending technology with Haiku's mobile app, Fan Eco delivers unmatched energy savings and cooling airflow in perfect harmony. SenseMe technology works automatically with your preferences to keep the room comfortable with a fleet of sensors and an onboard computer. Works with iPhone app that works with Nest Learning Thermostat and included IR remote. Features a DC/EC motor with digital inverter drive, hand balanced blades for wobble free operation at all speeds. Remote control includes ten unique control settings including a sleep and whoosh mode which simulates natural breezes to make you feel cooler. 52 inch blade span. ETL listed. Made in the USA. NOTE: Images shown are without the integrated LED light kit.
