## Lantern Portable Bluetooth Indoor / Outdoor LED Lamp By Smart & Green

## Description

The Lantern is a waterproof, wireless, rechargeable, and energy efficient lamp that can be used indoors or outdoors. Perfect for brightening up backyard barbecues or creating a romantic poolside atmosphere. It is designed to thrive in bad weather and has a guaranteed high resistance to shocks. Portable and easy to move indoors. Features seven pre-defined colors. Dynamic mode with unlimited colors changing automatically. Also features yellow or blue flickering candle effect. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Up to 10 hours or power in one charge and a charging time of 6 hours. Features 12 LED lamps totaling 6 watts. Charging station included. 50,000 hours life expectancy. Efficient energy saving light. Bluetooth connected. Note: This product is designed to float on water and can be used in pools and other wet locations. Do not charge when wet.
