DESCRIPTION

The Fairy Multi Light Pendant features a cluster of pendants suspended from a round multi port canopy. Each pendant sports a faceted glass shade that refracts light to create an enchanting sparkle. The glass is supported by a sleek, tapering stem with a distinctly modern expression. The pendants may hang freely as a single-tier cluster or be supported by two optional, included metal rings for a multi-tiered appearance. Note: LED driver included for installation in J-Box or remote location.
