Obs A-3320L Wall Light

By Estiluz

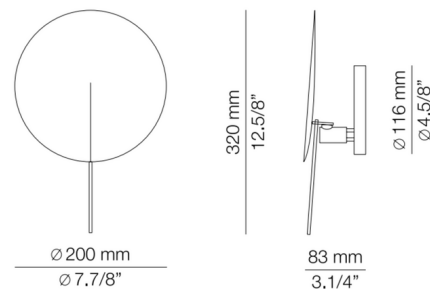

Description

The Obs A-3320L Wall Light is inspired by basic natural forms, separating the necessary from the superfluous to create a truly eco-logical lamp. Its stylized lines and clear references to the world of nature give a simple yet bold touch to the home, like water lilies of light on a stylish, contemporary domestic lake. Adjustable head with a lateral swing up to 60 degrees using the decorative stick.
