

BRAND Visual Comfort Architectural

DESCRIPTION

3 Inch Round Flangeless LED Wall Wash Trim is made of die-cast aluminum angled with frosted linear spread lens which creates consistent and even horizontal and vertical illumination. Flangeless trim units include die-cast plaster plate with no-fill collar that installs after the ceiling to prevent cracking by unifying the plate, ceiling and housing. Plaster plate is to be mudded over directly up to the aperture for seamless appearance. Available in Antique Bronze, Black, Satin Nickel or White finish. White can be field painted to match adjacent ceiling finish. 3.2 inch diameter. ETL listed. LED module included in housing. For use with Element Lighting 3 inch round recessed housing for flangeless wall wash trims, sold separately.
