Element 3IN Square Flangeless Flat Lensed Shower Trim By Visual Comfort Architectural

Description

3 Inch Square LED Flangeless Flat Lensed Trim is made of die-cast aluminum and includes die-cast plaster plate with no-fill collar that installs after the ceiling to prevent cracking by unifying the plate, ceiling and housing. Plaster plate is to be mudded over directly up to the aperture for seamless appearance. White finish can be field painted to match adjacent ceiling finish. Available with a lens. LED module included in housing. Note: A complete fixture requires a housing and trim, sold separately.
