### DESCRIPTION

The Snowdrop Table Lamp was designed by Danish trio Harrit - Sorensen + Samson in 2009. Clearly inspired by nature's own snowdrop flower, the Snowdrop series is a shining example of how craftsmanship traditions can be successfully combined with modern design expression. This table lamp features a pleated shade in White PVC or Silk White Paper supported by a curved black stem. A hinge in the base allows the angle of the stem to be adjusted. On/off switch.
