Hugo Linear Pendant

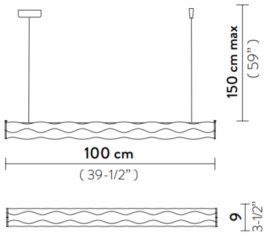

By Slamp

Description

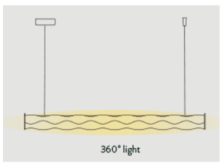

Hugo Linear Pendant, designed by the Slamp Team, runs along the space from one end to the other, parallel to the floor, sideways, perpendicular. It customizes the environment with a sinuous design. Using multiples in a longitudinal mode or in a free sequence is an individual choice, suitable for both a decorative project as well as for technical illumination. Hugo Linear Pendant features Slamp's patented material lentiflex Prisma or techno-polymer White.

Shown in white / prisma

5-1/2" x h. 1-3/4".
