## Bloc Outdoor Ceiling Light By Modern Forms

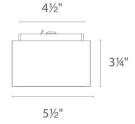

## Description

The Bloc Outdoor Ceiling Light features a minimalist design in form but provides the superior amounts of light through the LED light. The body is crafted from die-cast aluminum with a factory-sealed glass lens that is silk screened with ceramic to diffuse the light evenly. Available in three finishes and 3000K color temperature. Note: 2700K and 4000K color temperature options are special order items.

Shown in white / silk screened
