Draper Tree Lamp

By Adesso Corp.

Description

The Draper Tree Lamp is an essential mid-century style for any living room or bedroom. In matte black with chrome accents and three adjustable shades, it offers plenty of style as well as flexible lighting. Walnut wood accents on each shade softens the contemporary look to fit a variety of decor. The 3-way rotary socket switch will only work with a 3-way light bulb, otherwise this lamp will function with simple on/off switch at its highest setting. This lamp has a clear cord and is smart outlet compatible.
