Pixo Wall Sconce

By Pablo

Description

Although it embodies an emotive, humanistic form, Pixo, at its conceptual core, is an ultra efficient task light. Functionality and necessity drive its design. It makes the most of its frame and its space through every feature. Including a 360 degree swiveling light shade and 360 degree rotation and 180 degree arm tilt maneuverable arm lend it maximum utility within a minimal footprint, a compact, energy-saving LED light is infinitely adjustable, allowing the user to focus warm, glare-free light wherever needed. The base integrate a USB port for charging mobile devices. For added convenience, the elegant form factor features dimming down to 10 percent via its easy to use optical switch. Even more, the upper and lower pieces ship detached from one another to reduce packing materials and shipping costs. Pixo is 97 percent recyclable. Available with a White finish in plug-in and hardwired options. 6 foot cord included.
