Tolomeo Mega Suspension

By Artemide

Description

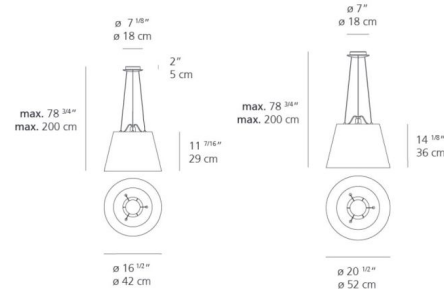

The Tolomeo Mega Suspension extends the iconic functionality and dramatic scale of the Tolomeo series to overhead lighting, creating a commanding yet adaptable centerpiece for larger spaces. This impressive fixture features a robust aluminum body with fully articulated arms, embodying the signature precision engineering of the renowned Tolomeo collection. Available in two substantial sizes, the Tolomeo Mega Suspension allows for a grand presence in your space. You can further customize its aesthetic with three distinct shade options: a classic Parchment Paper, a bold Black, or a crisp White shade, each offering a different ambiance and visual impact. The suspension requires one medium base bulb (not included), giving you ample power to illuminate expansive areas. The Tolomeo Mega Suspension is an ideal choice for grand dining rooms, large living spaces, or commercial settings where both powerful illumination and an iconic design statement are desired.
