

**BRAND**

WAC Lighting

**DESCRIPTION**

The J Series LEDme Galileo Track Luminaire maintains a clean form without interrupting the visual line regardless of aiming direction and takes inspiration from observatories that sweep the heavens with a 360 degree rotation that never alters its profile. Includes 14 watt LED module with 20 or 32 degree beam angle and 3000K color temperature. Includes LED power supply and features replaceable LED module. Dimmable to 8 percent with low voltage electronic dimmer, sold separately. Note: For use with WAC Lighting J Series single circuit track and Juno Lighting 120 volt track systems.
