Paradox Chandelier

By Currey & Company

Description

As the name suggests, the Paradox Chandelier seems to defy gravity. The magnificent three-tiered fixture presents clusters of slender wrought iron arms reaching up toward wooden candle cups. The Silver Granello finish gives the piece a modern feel, while the tiny Gold Leaf globes that stud the arms add interest. Twenty eight 25 watt max 120 volt B10 candelabra base bulbs are required, but not included. 42 inch width x 61 inch height. Includes 96 inch chain. UL listed.

Shown in silver granello / gold
