## 120V Pillar Lite Halogen Wall Light

By Hunza Lighting

### Description

The Pillar Retro Outdoor Wall illuminates both upwards and downwards, giving columns, gateway pillars and entrances a dramatic effect. Available in Stainless Steel with clear tempered stepped glass lenses. The Retro is suited to an installation where mounting a transformer is a problem or when replacing an existing fixture. The base depth increases to accommodate the encapsulated electronic dimmable transformer. Retro wall mount fixtures are supplied with a 5 inch diameter backplate designed to suit a standard 3/0 or 4/0 junction box. IP66 rated for wet locations. Optional accessories sold separately.
