## 12V Twin Halogen Wall Light By Hunza Lighting

### Description

Twin Halogen Wall Light is a wall mounted luminaire with two full adjustable heads, each allowing 360 degree rotation and 0-90 degree elevation. This fixture has been designed to be mounted on walls and provide directional light for pathways and structural elements of a building. Finish available in powder coated Black. IP66 rated for wet locations. Required low voltage transformer and WBAP Wall Box Adapter Plate, sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).

Shown in black
