

BRAND

Juno Lighting

DESCRIPTION

With Juno Retrofit LED Basics Series 4RLD Gen-3 4 inch trim modules, upgrading your existing 4 inch recessed housings with medium base sockets is inexpensive and nearly as simple as replacing an incandescent lamp. Rated for use in IC or Non-IC housings. Constructed of die-cast aluminum available with a White trim and White baffle reflector and regressed polycarbonate lens. Available with 3000K color temperature in a 600 lumen option. Equivalent to a 50 watt incandescent lamp. Easily retrofits most existing 4 inch medium base housings or Juno IC1-LEDT24 and IC1R-LEDT24 quick connect recessed housings. Trim ships with a medium base socket adapter whip for installation into 4 inch incandescent housings with medium base sockets. UL listed. Wet location listed (indoor covered ceilings only). Energy Star certified. Title 24 compliant. 5 year limited warranty. 5 inch outside diameter x 2 inch height. See attached manufacturer spec sheet for additional compatible housings. Dimmable per attached manufacturer dimmer compatibility reference.
