Mizu Rectangular Multi Light Pendant By Terzani USA

Description

The Mizu Rectangular Multi Light Pendant is inspired by the mesmerizing refractions created as light passes through water. Mizu features a cascade of droplet-shaped crystal pendants to create dazzling patterns of light around the surrounding environment. Handcrafted in Italy, variations in the size and shape of each pendant ensure a truly one-of-a-kind look. Available with 2700K or 3000K integrated LED lamping, 2W max for G4 LED bulb, or 10W max G4 Xenon bulbs (G4 bulbs are required but not included). Note: Due to the weight of the fixture, additional ceiling support is required.

Shown in white / silver dust
