

BRAND Cerno

DESCRIPTION

The Fons Floor Lamp was designed to minimize the structure and visual massing of the fixture while maximizing the reach or cantilever as much as possible. The delicate boom arm is held up by tension cables and gently bends while reaching out to almost horizontal where it suspends the light. The effectiveness of the design resolves the forces of the long reach so that it seems to float with a weightlessness at the tip. Available in two sizes with a Brushed Aluminum arm complemented by a Walnut body, Black base and a White linen shade. UL and cUL listed. Made in the USA. Prop 65.

Shown in: Brushed Aluminum / White Linen
