J6RL 6IN 600LM Retrofit Downlight Trim - Discontinued Model

By Juno Lighting

Description

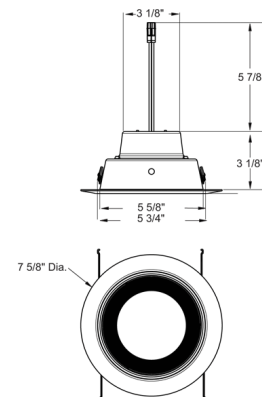

Juno J6RL G4 retrofit LED trim modules offer a fast, economical way to upgrade existing 6-inch housings with medium-base sockets to energy-efficient LED illumination. These all-in-one modules are IC-rated, enabling them to be installed in housings covered with insulation. Easily retrofits most existing 6-inch medium-base housings or Juno IC23-LEDT24 and IC23R-LEDT24 quick connect recessed housings. The J6RLG4 retrofit module is compatible with most 6 recessed housings measuring at least 5.25 inch height with an inside diameter between 6 and 6.75 inch. Trim available in White with Haze reflector. Trim ships with a medium base socket adapter whip. Includes 11 watt LED with 3000K color temperature, 600 lumens, 90+ CRI. 50,000 hour average lamp life. Comparable light output to a 65 watt BR30 incandescent. 7.62 inch outside diameter x 3.1 inch height. 5.62 inch inside diameter. UL listed. Suitable for damp locations. Title 24 compliant. Energy Star qualified. Dimmable per attached manufacturer dimmer compatibility reference for 120 volt only housings.
