Louver 120V Horizontal Outdoor Brick Light

By Generation Lighting

Description

Louver Outdoor Horizontal LED Brick Light is available in Satin Nickel, White, or Antique Bronze. Can also be used to accent pathways or corridors, blending the latest LED light guide technology with high quality craftsmanship and beautiful design. To optimize light output, housings feature purpose-built LED light guides to push light for area illumination as close to the wall as possible. Small form factor, die cast metal and premium finishes ensures enduring aesthetic appeal while being backed by a five year warranty. Installs into brick or poured concrete using included metal housing and requires a minimum of 3.1 inch depth.
