Vitra Outdoor Horizontal Step Light

By Generation Lighting

Description

The Vitra LED Step Light is available in White, Bronze, or Satin Nickel die-cast metal and may be used in interior or exterior applications. Can also be used to accent pathways or corridors, blending the latest LED light guide technology with high quality craftsmanship and beautiful design. To optimize light output, housings feature purpose-built LED light guides to push light for area illumination as close to the wall as possible. Installs into a single gang metal or plastic switch box with a minimum 2 inch depth.

Shown in satin nickel
