Generation Lighting

DESCRIPTION

The Vitra Outdoor Turtle LED Step Light is available in Bronze, Satin Nickel, or White die-cast metal and has an amber light for turtle friendly installations. Can also be used to accent pathways or corridors, blending the latest LED light guide technology with high quality craftsmanship and beautiful design. To optimize light output, housings feature purpose-built LED light guides to push light for area illumination as close to the wall as possible. Installs into a single gang metal or plastic switch box with a minimum 2 inch depth.
