Tarpa Turtle LED Step Light By Generation Lighting

Description

Tarpa Turtle LED Step Light is available in Bronze, Satin Nickel, or White die-cast metal and may be used in interior or exterior applications. Can also be used to accent pathways or corridors, blending the latest LED light guide technology with high quality craftsmanship and beautiful design. To optimize light output, housings feature purposebuilt LED light guides to push light for area illumination as close to the wall as possible. Installs into a single gang metal or plastic switch box with a minimum 2 inch depth. One 8.6 watt 120 volt LED module is included. 4.7 inch width x 3 inch height x 0.9 inch depth. ETL listed for wet locations. IP65 rated. ADA compliant. FCA Compliant by organizations for sea turtles. 5 year warranty.
