**DESCRIPTION**

SS2C Commercial-Grade 2.5 Watt/Foot 24 Volt Static White Soft Strip provides high levels of light with high CRI LEDs, offering superior color rendering and enhanced color. LEDs are distributed close together for uniform illumination without hotspots. The .50 inch wide flexible copper strip, with an optically clear protective coating, is sold in 1 foot increments up to 40 feet with cutting increments every 2.4 inches. Includes LED module with 2.5 watts per foot available in a spectrum of color temperature options. Product is built to order. Included components: SS2C LED Soft Strip and 3M adhesive tape backing. 3M tape adheres to most smooth finished surfaces. Additional Snap & Light solderless connectors, mounting straps and clips may be need for some applications, sold separately. System can be powered with a Universal (UNI) power supply (TRIAC/ELV/0-10V dimming). Note: Required power supply, Snap & Light power connector, dimmer control and optional mounting accessories sold separately.

<b>SHADE COLOR</b>	N/A
