Circa Chandelier with Large Pendants

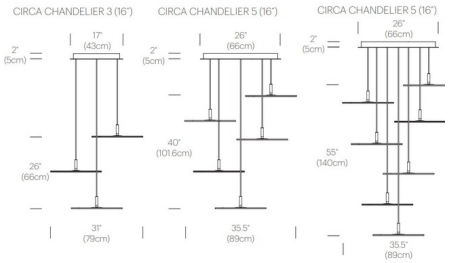

By Pablo

Description

Circa Chandelier with Large Circa blurs the boundary between the utilitarian work lamp and traditional shaded lamp. Circa's defining feature is a flat-panel LED disc that moves 360 degree rotation and 45 degree tilt fluidly above its axis point. This mobility allows the lamp to assume an infinite number of positions while providing balanced, ambient light. Available in three light configurations. Each disc is 16 inches wide. CE and ETL listed.

Shown in white / white
