Solis Chandelier with Mixed Long Pendants

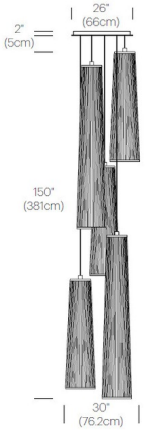

By Pablo

Description

The Solis M/L Chandelier, designed by Carmine Deganello, set out to engage with light in its archetypal form: the suns rays. The resulting piece is an engaging blend of light and shadows, casting shimmering rays and radiating patterns onto a space. The effect is a sense of weightlessness and a redefined environment that invites a new kind of relationship with the light source. Includes three 48 inch and two 72 inch length pendants. UL listed components. CE listed.
