## Solis Chandelier with Mixed Short Pendants

By Pablo

### Description

The Solis S/M Chandelier, designed by Carmine Deganello, set out to engage with light in its archetypal form: the sun's rays. The resulting piece is an engaging blend of light and shadows, casting shimmering rays and radiating patterns onto a space. The effect is a sense of weightlessness and a redefined environment that invites a new kind of relationship with the light source. Includes three 24 inch length and two 48 inch length pendants. UL listed components. CE listed.

Shown in nickel / white
