### Description

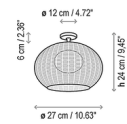

Light up the evening on your terrace or patio with the Garota Outdoor Ceiling Light. Its unique sea urchin-inspired form is handwoven out of non-toxic synthetic polyethylene fiber and the light source is protected by a UV-resistant polyethylene globe, ensuring resistance against the elements. Available in two widths: 10.63 inches (model PF/01) and 28.35 inches (PF/02). Notes: The LED E26 bulb option requires two E26 medium base bulbs which are not included.
