LED-Ginger Swing Arm Wall Light By Marset

Description

The Ginger Swing Arm Wall Light is an extraordinarily lightweight disk that pays tribute to the 1960's musician, Ginger Baker of Cream. The shade is just 4 mm thick due to the high-pressure shaping of materials. Available in a Oak or Wenge pressed wood diffuser with a lacquered matte black aluminum finish. The interior of the shade is painted white for optimal reflection. The Arm swings side to side for light direction. Available in two sizes. UL listed. Choice of hard-wired or plug-in mounting. Plug-in option includes 3-position dimmer.
