Diesel Lighting

**DESCRIPTION**

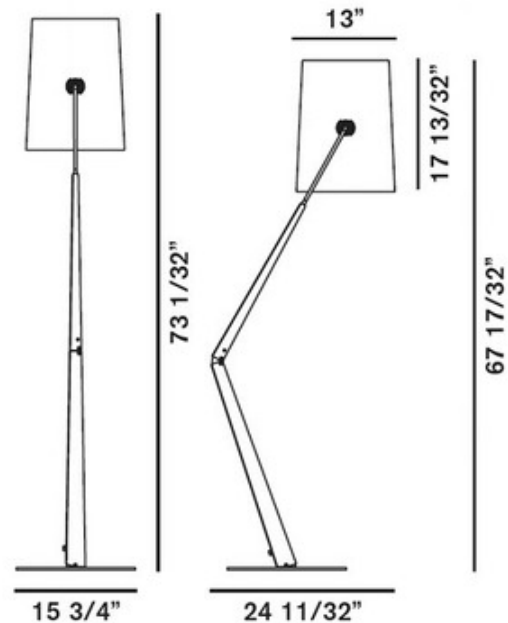

The Fork Floor Lamp is inspired by casual fashion, by campsite tents and by an informal, playful and dynamic lifestyle. The stitching on the fabric has been created like that on jeans and the rings are not merely decorative, but respond to practical needs with simplicity and immediacy. The lampshade is extremely flexible and can be oriented 360 degrees. You can change the direction of the light as you please, play with the lamp and have fun continually finding new positions for it. Available with an Ivory or Grey dyed linen shade and an Ivory finish. Available with On/Off switch - not dimmable or with dimmer switch included.
