# Wallis Wall Sconce

By Hudson Valley Lighting

## Description

Discover an intriguing interplay of light and form with the Wallis Wall Sconce, a fixture that offers a truly unique perspective. This sophisticated sconce features layers of clear glass and metal rods in Polished Nickel or Aged Brass, meticulously arranged at staggered lengths within a classic drum shape. This creates a fascinating visual texture that feels both contemporary and familiar, while masterfully directing light vertically and diffusing it horizontally for comprehensive illumination.The Wallis Wall Sconce is an ideal choice for adding striking ambient lighting to hallways, creating an artistic accent in a living room, or providing subtle yet effective illumination in bedrooms. Its ADA compliant design makes it suitable for a wide range of applications, fitting seamlessly into contemporary interiors with its blend of innovative design and diffused brilliance.
