By LZF

### Description

New Wave Pendant is graceful and stylistically innovative. Well formed, effortless and free-flowing, the New Wave's lines bend and curve, accentuating its shapely form. Composed of two parallel rectangular wood panels, one set inside the other, creating sinuous, natural curves which produce an effect of solidity and achieve a light elegant structural balance. Supplied with four 8 foot steel cables, a transparent electrical cable and a metal canopy in Brushed Nickel finish. UL listed.
