

BRAND Philips Hue

DESCRIPTION

The Philips Hue Phoenix Table Light has a special 3D texture covered with a hexagonal pattern that enhances the look and diffusion of light. Features four pre-sets and all shades of white from 2200-6500K warm to cool color temperatures, 80+ CRI. 25,000 hour average lamp life. Connect your Hue lights with the Bridge, sold separately, download the Hue app, and start discovering endless possibilities. You can connect up to 50 bulbs or lamps to the Bridge. Control your lights from your smartphone or tablet via the Hue app. With the schedule function in the app, set the lights to come on at a pre-set time so the lights are on when you arrive home or light up at different times and turn off or on gradually. Adjust the brightness of your Philips Hue lights easy and seamlessly via your smart device. No need to rewire your home or install a wall dimmer. Includes one 8.7 watt, 120 volt White Ambiance LED module. 11.8 inch width x 12.7 inch height. Required Philips Hue Bridge sold separately.
