Demetra Floor Lamp

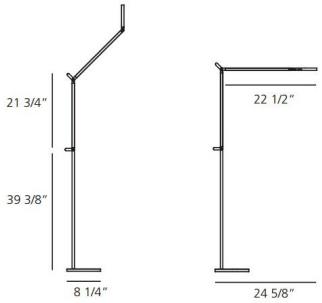

By Artemide

Description

The Demetra Floor Lamp brings a clean, minimalist aesthetic and exceptional functionality to a wide variety of interior spaces. Simple in concept yet highly versatile in application, this lamp features fully adjustable arms and a head that seamlessly tilts and rotates, providing precise control over light direction for any task or ambiance.Its sleek design is available in a sophisticated Anthracite Grey, Matte Black, or crisp White finish, allowing it to integrate effortlessly into modern and contemporary decors. An incorporated dimmer switch on the head provides intuitive control over brightness, letting you fine-tune your lighting environment with ease.The Demetra Floor Lamp offers a choice of 2700K or 3000K color temperatures, enabling you to select the perfect warmth for your space. This piece is an ideal choice for adding adaptable task lighting to a reading corner, providing ambient light in a living room, or enhancing a workspace with its understated elegance and superior adjustability.
