ME-808 Single Spot Light

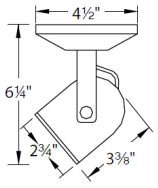

By WAC Lighting

Description

ME-808 Single Spot Light is made of die-cast aluminum with a Black or White finish. Two lamping options available. Engineered with an integral transformer and designed for mounting to walls or ceilings. Features 350 degree horizontal rotation and 90 degree vertical aiming. Aiming screws on each side of fixture allow for locking fixture aiming angle. Supplied with tempered clear glass lens.

Shown in black / clear
