24V 60W Class 2 Plug-in Electronic Transformer

By WAC Lighting

Description

Class 2 plug-in electronic transformer designed to be used as a portable or plug-and-play style transformer. Contains an on/off toggle switch and 6 foot detachable cord. 1 watt minimum load/60 watt maximum load. Built-in auto reset, soft start, short and overload circuit protection features. The soft start delayed start feature extends lamp life by delaying the abrupt inrush current to the lamp.
